

8th July 2020

Dear Colleagues,

Indian International Refractories Congress IREFCON 2020

After careful consideration with our partners and participants around the world and in light of the ongoing Coronavirus (COVID-19) developments, we've made the difficult decision to further postpone IREFCON20 slated to be organized from 21-23rd September 2020 to early 2021.

Having spent the past year preparing for the show with our advisory boards, speakers, exhibitors, and event partners, we're genuinely disappointed not to be able to host you at this time. However, the health and safety of the participants is of paramount importance to us, where no compromise can be accepted. As we write today, Covid19 pandemic shows no signs of ebbing and every day India is witnessing a new peak.

We want to thank all our patrons for their support and encouragement. As everyone has been reminding us, great things happen when the refractory fraternity comes together and connects at IREFCON. Hence it will be of our utmost effort to organize the event, even if it calls for utilizing the digital platform. Your registration, sponsorship and all other payments will remain valid till then. We will take an overview of the entire situation after 2-3 months and if the situation is still bearish, will cancel the event and refund you the money that has been collected.

Until then, stay safe and healthy!

With sincere regards,

Parmod Sagar
Chairman,
IRMA

Sameer Nagpal
Chairman
IREFCON 20 Organising Committee
